

Nestled in the protective, blue waters of Sarnia Bay, adjacent to the city waterfront, we are conveniently located just off the St. Clair River at the mouth of Lake Huron.

We are part of over thirty meticulously landscaped acres of parkland connected by a meandering boardwalk along our scenic harbour. You couldn't ask for a more perfect location to enjoy a uniquely memorable gathering.

At Sarnia Bay Marina, your biggest decision is not what to do, but rather, where to begin. We invite your group to discover this difference and experience all that our amiable marina destination has to offer.
